

## Year 11 Important Information

June 2024

Dear Parent/ Carer,

We are delighted with the way Year 11s have conducted themselves throughout their GCSE examinations thus far. Students have a great deal of pressure upon them and they have risen to the occasion with their excellent attendance, punctuality and attitude.

**The Year 11 examination results will be available at The Edge Academy between 9am and 12pm on Thursday 22<sup>nd</sup> August 2024.**

If students are not available in person to collect their results, a named family member can collect them if you contact the school beforehand to give us their name. They will, however, need to bring identification on the day such as a driving licence or a passport. If students wish to receive their results in the post, we will post them out the same day.

Various staff will be available on the day to discuss the grades achieved and to give any help and support. The Careers Service will be available, too, to discuss college placements, offer any advice and information on next steps.

Due to coming to the end of the examination season, please see below a timetable of when your child should attend school and when they can revise from home:
